PROFILE

"Versatile Full Stack Web Developer proficient in Node.js, Express.js, and DSA_C++. Expertise in creating dynamic and scalable web applications. Strong problem-solving skills and a passion for delivering high-quality software solutions."

I enjoy exploring Video editing and sports in my free time.

I also bring top-notch skills in Figma Development, Data Structures with C++, and Python, Creative Problem Solving, and Project Management to the table.

Currently, I'm focused on furthering my expertise in FullStack Web Development and open to Internship and guidance opportunities.
